Dear Parent/Carers,

### Walsall Council Catering Services

We are delighted to inform you that as of Monday 5<sup>th</sup> June we will be taking over the catering of your child's school meals service.

#### **Our service at a glance:**

- We are an award-winning food service provider who are passionate about providing your children with freshly prepared school lunches.
- We track down the best fresh produce and ensure it reaches each school kitchen as quickly as possible. Our caterers use RSPCA Freedom Food Free Range Eggs, Marine Stewardship Council approved sustainable fish and Red Tractor approved fresh meat. All of our fresh produce is sourced in the West Midlands.
- All our menus are nutritionally analysed to ensure they meet and, in most cases, exceed The Children's Food Trust's Nutrient Standards.
- Our catering team can provide details of food allergens on request. We can also cater for medically diagnosed food allergies and intolerances by working closely with your child's dietitian.
- We run lots of Theme Days for the School Lunch Menu such as Christmas Lunch which has become a firm favourite in other schools with pupils and teachers.

**We hope your child enjoys our new menus.**

Yours Sincerely

Walsall Council Catering Team
