Years 1 to 4 have two units per half term - each unit is 3 lessons, meaning a total of 6 music lessons each half term.

EYFS, Year 5 and 6 - each unit is 6 lessons long so there is only one unit for each half term.

All resources are provided through Music Express (online); there are also assessments for each unit.

All lessons come with videos, teaching tips, resources that are printable/whiteboard friendly.

These units are flexible and can be taught at an appropriate part of the year to suit the class. The above is merely a suggestion.

Where there is a repetition of units ie: In Y1/2 or Y3/4 where similar unit titles appear but at different points in the Year -they are not the same lesson. They have slightly different lesson content and objectives covered but allow for progression.
