Dear Parents/Carers

**Re: School day timings from September 2023**

I now write to confirm that consultation has now closed and feedback has been appreciatively received both verbally and in written form.

The majority of feedback received is in support of the change to the start and end of the school day. Therefore the timings of the school day from the start of the new academic year in September 2023 will be for all pupils (Nursery to Y6): a start time of 8.50am and a finish time of 3.20pm. The playground gates will open at 8.40am each day to allow children to access their classroom from the external door at any point during that ten minute window.

The current timings will continue to apply for the rest of this academic year. Our school prospectus and website will be updated in due course.

Thank you for your continuing support,

Yours Sincerely,

Mrs H Taylor

Headteacher
