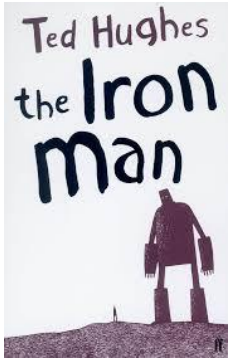
Year 4 Autumn Term 1 2025

Learning together, Loving God, Becoming the best I can.

Eloquent and Truthful

English: The Iron Man



Our focus text this half term is The Iron Man. In our writing we will be writing a character description of the main character and writing a retell of the main points of the story. We will also recognise and use different features of our writing including nouns, verbs, prepositions and conjunctions. In our reading we will be developing our key skills when answering questions about our class text.

RE: We will hear and learn about some important stories from the Book of Genesis. We will explore some important images of God found in these stories and consider what it means for human beings to be made in the image and likeness of God. We will also learn about the prayer life of Jesus as he grew up in the Jewish faith.

Maths: Place Value & Addition & Subtraction

We will be developing our place value understanding by representing and partitioning numbers to 1000 and then 10,000. We will also compare and order numbers to 10,000 and then round to the nearest 10, 100 and 1000. In addition and subtraction we will add two 4 digit numbers and subtract two 4-digit numbers both with and without exchange and then use efficient checking strategies.

thousands	hundreds	tens	ones
4	0	7	4
4,000	000	70	4

History: Ancient Greece

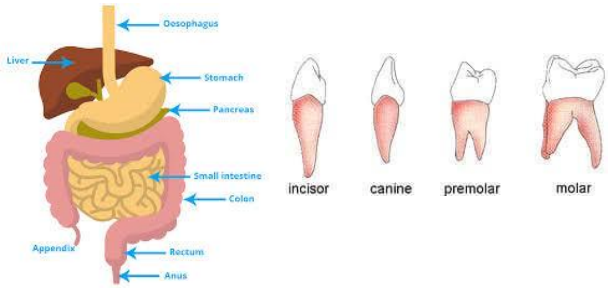
We will be learning about the legacy of Ancient Greece including the Olympic Games, democracy, the alphabet, language and architecture. We will also learn about what was like for different groups of people during this period of history. We will find out more about the leaders of Ancient Greece.

Music: Rock It Music

We will be taking part in music lessons with our Music teacher. We will learn how to play musical instruments and understand how to read music and the different features of music.

Science: Living things: Animals including humans

We will learn about the different parts of the digestive system and the journey our food goes on. We will also learn more about our teeth and their roles in eating.



Computing: The internet

We will learn that the World Wide Web is part of the internet and will be given opportunities to discover the World Wide Web in order to learn more about who owns content and what we can access, add and create.

Art: Drawing: Storytelling through drawing

We will be telling stories through our drawing including sequencing drawings to help viewers respond, use text to add meaning and use line, shape, colour and composition to develop evocative and characterful imagery.

PE:

Indoors - (Tuesday) Gymnastics

Outdoors - (Friday) Football with the soccer 2000 coaches

Please ensure that children come to school in their PE kits on these days.

Dates for your diary:

- Monday 16th September-school photographs
- Friday 25th October-Break up for half term
