WELCOME

Welcome to our Autumn half-term newsletter. As we approach the season of Advent - a sacred time of spiritual preparation for the coming of Jesus Christ - our school community is bustling with excitement and purposeful learning. This half-term, we are focusing on growing to be Learned and Wise, reflecting our Catholic schools' pupil profile values, learned by finding God in all things; and wise in the ways they use their learning for the common good... by the breadth and depth of the curriculum; by excellence of teaching, and the creation of opportunities to become more learned and wise.

As we journey through this half-term, we remain committed to nurturing our pupils' spiritual, academic, and personal growth. The approaching Advent season reminds us of the values of hope, peace, and love as we prepare our hearts for Jesus's coming.

We look forward to sharing these wonderful experiences with you and thank you for your continued support.
