RE: Reason for Absence

Dear Parents and Carers,

At St Peter's, we believe in walking in truth, just as Jesus taught us to be honest in all our ways. When your child is absent from school, we ask you to share the reason with the same openness and sincerity that Christ calls us to embody.

Our school is a community of trust, where we seek to nurture not just knowledge, but character. We want our pupils to understand the value of speaking truthfully, whether about a family holiday, an illness, or any other reason for absence.

As part of our processes, you may be asked to provide evidence of absence, which helps us ensure regular attendance at school.

We're not here to judge, but to guide, and we want to support you and your family with understanding and clear communication.

Please continue to inform us promptly and honestly about your child's absences, via Weduc, email or phone call. In doing so, you're teaching them the value of how to live with honesty and grace.

Yours sincerely,

Mrs K Hinton
Headteacher
